

REMARKS

This is a response to a non-compliant Amendment, and pursuant to 37 C. F. R. § 1.121, only the corrected section (here, the claims) of the non-compliant Amendment is being provided. Specifically, the amended claim set wherein the 'status identifier' of claim 17, which was inadvertently and mistakenly listed as "Withdrawn" in Applicants previous Response and Amendment, has been replace herein with an amended claim set wherein claim 17 has been amended to recite "Original."

Claims 1-17, 25, 44 and 48-52 as provided herein are therefore under current examination, having been provisionally restricted to species A, C, H and S of record.

The Examiner previously withdrew claims 53-97 as being drawn to a non-elected group, and Applicants previously cancelled claims 53-97 without prejudice.

CONCLUSION

In view of the foregoing amendments and remarks, applicant respectfully requests entry of Applicants' Response, and allowance of the amended claim set provided herein above. The Examiner is encouraged to phone applicants' attorney, Barry L. Davison, to resolve any outstanding issues and expedite allowance of this application.

Respectfully submitted,

Barry L. Davison, Ph.D., J.D.
